

Browns Bay Directions and Details

Browns Bay is a shore dive off the north east coast at Whitley Bay. This is a very popular location with locals in the summer months. Bring everything you will need including drinks and food. This site is a sea dive and can be very strenuous. After spells of heavy rain and wind this location can be fun! Lots to see underwater including a couple of old wrecks. Maximum depth at this site is about 10m.

- Parking is FREE but very limited
- Air fills are not available at this location, but can be obtained 10mins away
- There are NO TOILETS or trees!

Parking is either on the Promenade or on Windsor Terrace. There is a small children's playground, which we park alongside. The postcode for this location is NE26 2NS.

Meeting times will always vary due to tides.

Our telephone number is 07889 071230. But we don't know the area that well!
