At 6m deep this is the one of the best facilities we use. We have use of this pool on most Friday evenings 8pm till 10pm. Please telephone us for availability. We have privileged access via another dive club here, so we have to pay them for the use of the pool. So please have cash available.

Session Cost: £5 (student divers on courses)
 £10 (general play, which includes kit hire if required)
 £25 (skills workshops & scuba reviews with a PADI professional)

The nearest motorway exit to Sheffield City Centre is junction 33 of the M1. This will bring you onto the Sheffield parkway and as you continue to head for the City Centre, Ponds Forge ISC is sign posted.

Parking is available near by. Access is available from 7.50pm - at the fire escape at the end of main building. Please meet Smudge there to help carry equipment. Try to be prompt - we have only short time to unload and get things onto the pool side.
